Who is this course for?

The course is an Intermediate level course for those whose first language is not English, who wish to improve all four language skills, speaking, listening, reading and writing, and who wish to pass an examination at this level.

What is the level of the course?

Entry 3

What previous knowledge/experience is required?

This course is for students who can read and understand a variety of short English texts; write sentences using simple present and past tenses and some ways of talking about the future; can understand and respond to simple questions about the present, past and future; and can communicate feelings and opinions on familiar topics.

What will the course cover and what can I expect to do by the end of it?

This course will give you confidence using English for work, study and socialising. You will develop your English language skills in writing, reading, speaking and listening and gain a National Open College qualification. Your tutor will decide from a range of topics, and ask you what topics you want to cover. Topics include:

- * Job opportunities
- * Getting to know the UK
- * Technology & using computers
- * Sport and Exercise
- * Health
- * Living in a new town

What teaching and learning methods will be used on the course?

Students are expected to complete the homework assignments given by their teacher. In addition students are encouraged to bring into the classroom any language problems they may meet outside. Your teacher is there to help you.

How will we assess your progress on the course?

Teaching and learning methods will be those appropriate to adults. Students are expected, under the guidance of their teacher, to assume a large measure of responsibility for their progress. Learning situations will include individual work, pair work, small groups as well as whole group learning. All materials and worksheets are provided. The College provides access to up-to-date learning technology, including computers.

What type of qualification will passing this course give me?

Upon successful completion of the appropriate assessments students will receive an externally accredited qualification from City & Guilds or Open College Network Certificates.

What can I do after completing this course?

At the end of this course students should be able and have the confidence to use their improved language skills in a variety of situations, including employment. Course progression is to ESOL Level 1, Higher Intermediate but students may be able to take E-Citizen, ECDL or Skills for Jobs.

What extra study/practice do we expect you to do outside the class?

Students are expected to complete the homework assignments given by their teacher. In addition students are encouraged to bring into the classroom any language problems they may meet outside. Your teacher is there to help you.

Are there any other costs? (e.g. materials, equipment or books I need to buy before or during the course)

None
